Personal Profile Statement

I am a committed, hardworking and reliable Civil Engineer (Highway option precisely) with a strong road and structural design engineering background and a positive attitude to challenges and opportunities. I have previously worked in busy, fast-paced and challenging environments with a track record of introducing improved methods of projects designs and management, resulting in reduced costs and increased operational efficiency. I take ownership of my tasks, and I am willing to deliver and exceed expectations where possible. Ability to support and offer team co-operation and prioritizing my work activities is a key strength that I have developed.

Persona Data

Date of birth:	17 th April 1995
LGA:	Obudu
State:	Cross Rivers State
Country:	Nigeria
Religious:	Christianity

Education

2015 – 2022	B'ENG Grade achieved:	Cross River University of Technology Second class.
2008- 2014	WEAC	Divine international Academy (WEAC)
2000 – 2008	First school leaving	Sacred heart primary and nursery school

Working Experience

2019 Industrial Experience

Main duties performed:

- Repairs and maintenance of Akpabuyo – ikang highway cross river state
- Providing support in the reduction area ensuring the smooth progression of project. □ Ensuring the necessary documentation are in order and up-to-date □ Actively participating in continuous improvement activities.

- Using CAD software in drawing and interpreting, isometric and orthographic drawing.
 - Registering all data work on the computer database for progress report
 - Building business solutions using data analysis, technical documentation, presentation design, and process improvement skills.
-
-

VOLUNTEERING

- Cross River state clean and green tree planting.
- Worked as a volunteer youth mentor to empower and support displaced children WeRISE foundation
- Volunteer for voters registration under PFTAN 2022 Cross River State
- Structural design tutorials mentor ship to Nigerian universities Engineering students association NUESA CRS
- Teaching of technical drawing for beginners understanding WeRISE foundation
- Teaching mathematics to the students for better and efficient understanding. WeRISE foundation

Qualifications

- Bachelor of Engineering in Civil Engineering.

Project Research Topic

B'ENG: UTILIZATION OF WASTE PLASTIC, RICE HUSK ASH AND DE-SILTED SAND IN ASPHALTIC CONCRETE.

Professional Membership

- Graduate member Nigeria Society of Engineering
- Graduate member National institute of civil Engineers

Professional Certificate

- Google digital marketing
- Jobber man soft skills
- Basic of finance management
- Cyber security
- Leadership and organization
- Project management.

AWARDS RECEIVED AND SCHOLARSHIP

- Students union government Cross River university of technology Award of Honor 4th July 2021.
- Nigerian university Engineering student association south-south region award of excellence 6th November 2021.
- Abia student association: Leadership Award 2021/2022 □ NUESA UNICROSS chapter: Leadership Award.
- CECF fellowship: Award of honor 19th November 2021.
- Scholarship from federal ministry of youth and sport on cyber security training

Skills

- **Fast learner:** Due to technological advancement, new technologies are introduced most time, I have the ability to learn very fast and adapt to changes.
- **Technical knowledge:** I have the ability to read engineering drawings and specification and applying the processes in designs and execution.
- **Computer literacy:** Highly proficient in computer applications; (MS: Word, PowerPoint, Excel and Google Apps)
- **Computer Aided Design (CAD) knowledge:** I am a CAD literate with in – depth knowledge of CIVILSOFT, CIVIL3D, RFEM, RIVET, and ORION, REVIT, ARTLANTIS
- **Communication Skills:** I can effectively communicate complex concepts and ideas to both technical and non-technical audience.
- **Leadership Skills:** Good at building interpersonal relationship under minimal supervision.
- **Research:** Expert in Internet research. I have more than 6 years experiences in web research to get the correct information by drilling down website information.
- Project management
- Excellent organizational skills
- Good problem solving skills
- Stakeholders management
- **Writing skills:** Writing articles on engineering social issues, concept notes and proposals and curriculum design
- **Strength:** Drafting, data analysis, programme implementation, training and facilitation
- **Interest:** Education, employability, youth transition and research
